Dear Roger,

The Pauamac7 Industry Association Inc. (Pauamac7) would like to convey its gratitude to you for your recent assistance with our PAU7 reseeding project. Your help was invaluable; without the use of your paua farm as a temporary home for the juvenile paua it would not have been possible for us to take full advantage of the opportunity we had to buy the juveniles. We very much appreciate the donation of your equipment and facilities which enabled the project to be completed so successfully.

At our recent General Meeting a vote of thanks to you for your contribution to the reseeding project was passed, and the Executive also wishes to pass on a sincere thank-you.

Yours sincerely,

A handwritten signature in cursive script that reads "D. D. Baker".
